Subject: proposed bill #650

I strongly oppose this bill, I do not see how this bill will improve the service and effectiveness of temporary restraining orders issued. I am not, have not been and have no family members or close friends involved in domestic violence. I also have worked hard to acquire all the legal permits needed to carry firearms in Connecticut. I have also researched the data on domestic violence cases in Connecticut and have found the cases involving firearms is very small in percent as apposed to other means of violence. I can come to no other conclusion than this bill is just another way for certain lawmakers to try to disillusion citizens that gun control will help this problem. Do not let bill through which will lead to infringement on our Constitutional rights.

Thank you,
Maria Hopkins
